

BOARD OF DIRECTOR CANDIDACY STATEMENT

Michelle Hayes **Candidacy Statement**

Please tell us about yourself, as well as your vision and goals for Legends Crossing Master.

We have a beautiful, diverse community and can each contribute to making this an amazing place to live. We have challenges that need to be overcome including parking, landscaping, irrigation, children safety – but as important the long term vision for the community. The first year is always the toughest as the community bonds and converts from developer control to community control. Involvement is needed.

Why would you like to serve on the Board of Directors?

To get things done – but before making decisions, gathering feedback from homeowners within the community. We all have a voice and all voices need to be heard.

Please list previous board position and/ or experience:

I have 40 years of hotel/hospitality experience including several major resorts – one in S.C. with 14 HOA's and a master association. The challenges of all HOA's are real – communication is key however. Open and two way communication.

Issues you feel need to be addressed by the Board of Directors in your community:

Direction and vision. However, more timely is the successful opening of the amenity center – there are many decisions to be made and the community needs to be involved – from hours of operation, cleanliness, maintenance and security to contents – furniture/TV's, usage of space, etc. Community needs to be actively involved.

Any prior commitments that may prevent you from actively serving on the Board of Directors?

Answer is NO. Currently on the Townhome Association Board.
