

Sivaram Vellanki
Candidacy Statement

Why would you like to serve on the Board of Directors?

I would like to make a positive impact on our community by protecting property values, building relationships with neighbors and exploring options to bring down our HOA fee. I am sure I will strive hard to make a noticeable difference, adding value to management decisions and bring my experience along with expertise and work in harmony to make a difference.

Please list previous board position and/ or experience:

I played an active role serving as vice president on AIA (Acadiana Indian Association) board hosting all Indian festivities coordinating with the community of around 500 families in the past. I am sure I can bring that experience and expertise to serve our community.

Issues you feel need to be addressed by the Board of Directors in your community:

Consistent failure of gates, consistent failure of sprinklers, increasing landscaping costs are some serious concerns which need the boards attention.

Any prior commitments that may prevent you from actively serving on the Board of Directors?

None.
